BY W. C. BEYANT.

Dost thou idly ask to hear At what gentle seasons Nymphs relent, when lovers near Press the tenderest reasons? Ah, they give their faith too oft To the careless wood; Maidens' hearts are always soft, Would that men's were trues!

Woo the fair one, when around Early birds are singing. When o'er the fragrant ground Early flowers are springing: When the brookside, bank, and grove, All with blossoms laden, Shine with beauty, breathe of love,-Woo the timid maiden.

Woo her, when, with rosy blu-h, Summer eve is sinking. When on rills that softly gush, Stars are softly twinkling; When through boughs that knit the bow's Moonlight gleams are stealing; Woo her, till the gentle hour Wakes a gentler feeling.

Woo her when autumnal dyes Tinge the woody mountain; When the drooping foliage lies, In the half-choked fountain: Lef the scene that tells how fast Youth is passing over, Warn her, ere her bloom is past, To secure her Lover.

Woo her when the north windscall At the lattice nightly; When, within the cheerful hall, Blaze the faggots brightly; While the wintry tempest round Sweeps the landscape hoary, Sweeter in her car shall sound Love's delightful story.

THE POOR. God shield the poor and needy, From winter's cruel reign, For who will else protect them, Now frosts have come again !

Oh ye, who dwell in splendor, Have every wish allayed, Heed to the voices praying, For succor and for aid

Let fortune's favors chill not The heart to accents meek: Like winter's ruthless breezes, Be not thy heart as bleak !

Go to the humble cottage, Where hearts so wrongly bleed, And turn those tears to gladness, And God will bless the deed !

Military Arrangements .- Some important movements have recently been made by the War Department for the western frontier of the republic .-- The departments of Oregon and California (10 and 11) are consolidated into one, called "the third or Pacific division," under the command of Brevet Major General Persil F. Smith. The Adjutant General's last general orders designate these arrangements. General Order No. 54 creates the "third or Pacific divis ion;" No. 55 assigns Brevet Brigadier General Riley, Lieutenant Colonel 2d artillery, to brevet rank: and No. 61 assigns General Smith to the command of the Pacific division, on his brevet rank of brigadier general. From the established character of both these distinguished officers, il will be seen that they are admirably qualified for the responsible and distant stations to which they have been respectively assigned.—Wash. 36 Setts ass

The Great Remedy for Coughs, Colds, Asthma and all Diseases of the Lungs.

OLD VIRGINIA AGAIN. Albermarle Co. Va., March 21st, 1847. Mr. Seth W. Fowle-Dear Sir.-I take pleas ore in stating to you my experience in the use of Wistar's Balsam of Wild Cherry. I own a very valuable negro girl, who was attacked with a diffi-culty of the lungs, which brought her in appear-aune to the brink of the grave. I censuited some of our best Physicians, who pronounced her case incurable, or that they could do no more for her. I tried many remedies but none did her any good I saw some account of Wistar's Balsam, and thought I would try it, but had little faith in it. procured a bottle, which was administered ac-ording to directions, and saw she began to mend; and before the first bottle was gone she was up. I procured a second and she took that, and now she s I think, cured, or nearly so. She attends to her daily labor, and I hear no complaint from her.

R. L. JEFFERSON.

Consumptive Patients!—Will please read the ollowing note from the Harrison Gazette—The incredulous are invited to read the following note from Rev. Mr. Coldron, whose character for truth and veracity is above suspicion, and have their doubts dispelled as to the superiority of Wistar's Balsam of Wild Cherry, over all other remedies now before the public of the same character:

Corydon, Ind. Jan. 28, 1848. It is no less a duty than a pleasure to state, for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry, a great blessing to the human race. Having tried it in a case of severe affliction of the lungs. I unbesitatingly recommend it to those similarly afflicted, as the best remedy I have ever tried, and one which cured me when physicians said I must die, and when I thought myself that my time to depart was near at hand

Cy-Caution to ALL.—The genuine Wistar's Balsam is enveloped in a fine white steel engraved wrapper, with the names of Henry Wistar, M. D. and Sanford & Park thereon. Without both these signatures, it is positively counterfeit. Do no ouch it.

NEAR NAMIVILLE, August 18, 1843. Mr. Geo. W. House: Dear Str.--1 had Chills and Fevers for twelve months; nine months of the aid I could procure from Physicians and the various Tonic Fever and Agne mixtures sold by the Drug stores. In April last I saw your advertisement of Clemens' Indian Tenic, as an infallible cure. I uade no delay in calling upon you, and by using aid Tonic, I found immediate relief, and a permanhnt cure. A friend of mine tried it als same time, with the same happy result. Yours, respectfully, C. L. GLASSGOW.

From the Clarksville Chronicle, Oct. 21, 1843. Dr. T. D. Scott: Dear Sir-We have used Clemen's Indian Tonic in many cases of Agua and Fever, and we find it, in every particular, what it is commended to be in your advertisement. We have heretofore used most of the popular remdies in use for Fever and Ague, and we unbesita-tingly recommend Clemen's Tonic to the confidence of the public, from our personal experience and observation, as a safe, certain, and prompt cure for the Ague and Fever, in any form or stage of

My Dear Sir.-1 have tried Clemen's Indian

in a very high degree. It arrested the chill in every instance, and as yet there has been no return. I cheerfully give this testimony, that others may be induced to use a remedy both safe and efficacious

Honse: Dear Sir -- I shall make no ology in presenting the following remarkable se: A youth of about fifteen years old, living with me, had the Fever and Ague for ten years, without finding a cure; and I can assure you every means were used to that effect. In December last I tried a bottle of "CLEMEN'S INDIAN TON-IC," which arrested the disease at once, and am happy to state, he has not had a chill or an ague since. You should lose no time in giving this Tonic an extensive circulation—it will prove
